

***Relax...
and leave it to us!***

Your Aquarium Leasing Specialists tank will always look fantastic and we will make sure it stays that way.

We schedule our aquarium cleans monthly. We also have an emergency call out service.

You never need to feed the fish or clean the tank - we take the hassle out of having a fish tank. So you, your staff and customers get to enjoy the experience.

Leasing Benefits

A superbly maintained aquarium will leave a lasting impression on your clients and will have a positive effect on your staff.

At receptions and in foyers, a stylish good looking aquarium is impressive, interesting and aesthetically pleasing décor with a difference.

An aquarium will help visitors remember YOUR venue. Aquariums also provide quiet and safe entertainment for children.

Maintenance

We provide aquarium servicing and cleaning for not only our leasing clients but also clients who own their own aquariums.

We clean freshwater, tropical and salt water aquariums. We come to you, and can supply all your aquarium needs.

Rental Options

6 Foot Hexagonal

The 6 Foot Hexagonal Aquarium is stunning in small spaces. Suitable for goldfish only.

Octagonal 20, 27 & 33inch

The Octagonal Aquariums are crowd pleasers. Great for goldfish or tropical fish. Pick the size to suit your space.

Juwel Vision 250 & 450

The Juwel Vision 250 and 450 litre aquariums are traditional style aquariums with a curved front for spectacular viewing.

Custom Aquariums

Custom Aquariums can be built to suit your workspace. They can be located on custom cabinetry or in your walls.
